**Re: Schiller v. State of New Jersey et al.**  
**Case No: 2:24-cv-05966-WJM-JRA**

Dear Judge Almonte:

I have reviewed Your Honor's text Order and thank you, the Court, for granting me the opportunity to show the Court that I qualify to proceed in forma pauperis, guiding me to the necessary form, and for the Court's willingness to consider the matter in due course upon my completion and filing of the same.

I have reviewed form (AO 230) and will complete it as expeditiously as possible for the Court's consideration.

I respectfully ask the Court's permission to file the required form confidentially so that it does not become open on the docket and accessible online to the public. I have no objection to the Defendants or their counsel receiving a copy, and if appropriate, I will email a copy of the filing directly to their counsel.

However, I must disclose sensitive information and intend to include evidence to support my position that I qualify to proceed in forma pauperis. If readily available to the

public, some of this information would adversely impact my ability to earn future income.

Other information is sensitive as it relates to my two minor children, and other material information for the Court to consider is subject to New Jersey Superior Court Protective Orders, including a permanent injunction that prohibits the dissemination of same.

Based on the foregoing, I respectfully ask the Court to grant my request to file the required form confidentially so that it does not become open on the docket and accessible online to the public. Should the Court grant my request, I would also seek guidance from the Court on whether there is any additional form I must file for the Court to grant my request.

Thank you for your time and consideration.

Respectfully submitted,

*Christopher J. Schiller*
